

HOLE SPONSORSHIP

Thank you for your enquiry regarding our Hole Sponsorship opportunities.

Tauranga Golf Club

Tauranga Golf Club is located at the Racecourse Reserve off Cameron Road on the western side of Tauranga. Established in 1911, the Tauranga Golf Club is one of New Zealand's senior clubs and has a permanent membership in excess of 1,000. An average 50,000 golfers play the course each year both in organised competition and on a casual basis, and the Club runs a range of popular tournaments and hosts corporate events for the local business community and charitable organisations.

Only minutes from the Tauranga CBD, our course is located in a park like setting on the beautiful Tauranga Racecourse Reserve and adjacent to the Bay of Plenty Racing Club. The quality on the course is complimented by the high standard of service available to members and visitors in our modern clubhouse.

Sponsorship Packages

The Club provides sponsorship for each hole on the course through a range of advertising opportunities starting at \$500 plus GST for the basic package of a 1200 x 400 Tee Marker Sign. Fees are payable annually in advance. Design and construction of the sign will be at the sponsors cost, including any subsequent changes to the artwork.
