

RECIPROCAL PLAYING RIGHTS

From time to time, by mutual agreement between participating clubs of the Western BOP, when a **District** or **National** fixture is being hosted by a Bay of Plenty Club, complimentary reciprocal playing rights **may** be available at other clubs in the Bay of Plenty, subject to:-

1. The fixture must generally close the host course to members for both morning and afternoon play.
2. Members must book a start time with the Club offering reciprocal rights and must produce evidence of membership.
3. Clubs are not obliged to accept bookings but will make every effort to accommodate your requirements.
